

CCAC
VIRTUAL
“NUTS & BOLTS”
WORKSHOP
OCTOBER 19-23, 2020

Get down and funky in the VIRTUAL Clerk World!
This workshop will help you understand the many roles of the City Clerk profession and is designed to prepare you with information on the intricate details of our responsibilities—useful for all levels of hip experience (City Clerks, Deputy or Assistant City Clerks, Agency Clerks and Clerk support staff).

This entry-level seminar focuses on subjects such as agendas, minutes, record keeping, contracts, research methods, ordinances, resolutions, proper procedures for conducting public meetings, compliance with the Brown Act and Public Records Act and other legal requirements, and a myriad of other topics. Hear from experts in records management, veteran Clerks and a City Attorney.

Those completing the entire workshop will receive three (3) CMC points toward certification through the International Institute of Municipal Clerks (IIMC).

Access to the workshop materials and webinar instructions will be provided one week prior to the workshop.

Registration Deadline is October 5, 2020
